NON-SMOKING MEETING

Agnostic Meeting

In agnostic meetings we believe recovery is possible. No one will tell you to believe in anything more.

We follow the 12 Steps

We do not have any opinion on the truth or incorrectness of any belief- and ask that you respect people's right to their own belief, interpretations, or skepticism even if you strongly disagree.

Tradition Three

“Our membership ought to include all who suffer from alcoholism. Hence we may refuse none who wish to recover. Nor ought A.A. membership ever depend upon money or conformity. Any two or three alcoholics gathered together for sobriety may call themselves an A.A. group, provided that, as a group, they have no other affiliation.”
